

sofa table

Sofa Table in Walnut Veneer

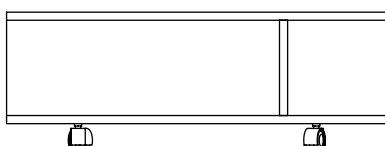

Sofa Table in Oak Veneer showing
secret compartment

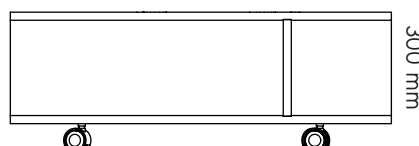

The elegant **Sofa Table** combines practicality with cutting edge design. The 80cm square piece is mounted on castors for mobility, and features a secret storage compartment to quickly minimise clutter at a moment's notice. The low profile is designed for sofa height and there are a total of 4 storage compartments, considerably sized for DVD's height and magazine width.

mini bar

Mini Bar in Oak Veneer

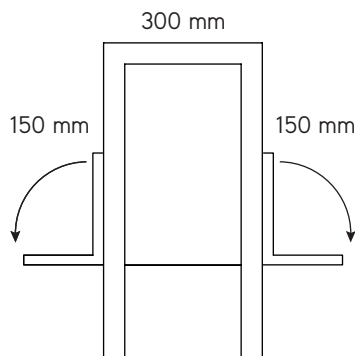

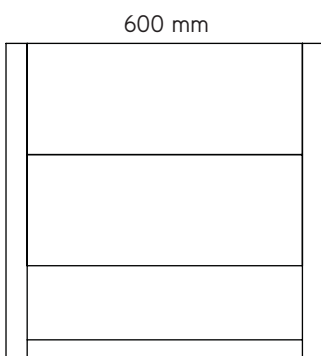

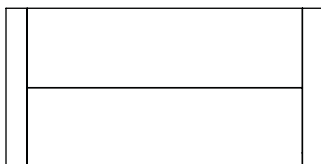

Mini Bar in Walnut Veneer

A standout piece, the **Mini Bar** is a compact and versatile addition for any living space. The box lid flips open on both sides to reveal generous storage - perfect for bottles and glassware. The strength of this piece lies in the serving shelves that are created by the open lid. The **Mini Bar** can fit conveniently next to a sofa, and double as a side table, making this piece both practical for everyday use, and the essential piece for dinner parties and entertaining.

cocktail bar

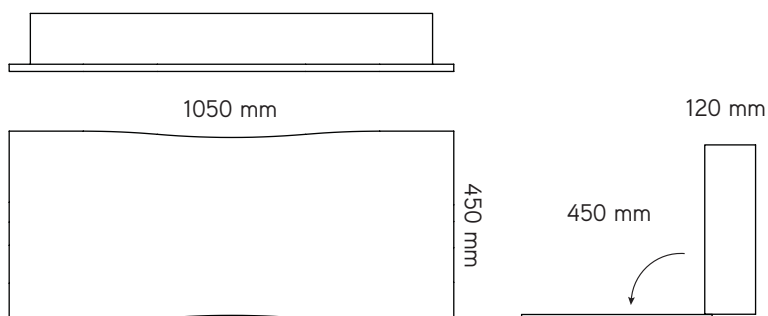

Cocktail Bar in Walnut Veneer

Another result of ingenious design, the **Cocktail Bar** is a storage space perfectly sized for bottles and glassware. The bar cover folds forward to create a convenient shelf that holds the weight of the bar contents. The **Cocktail Bar** is complimentary to the Occasional Table and provides yet another solution for small living spaces.
